These are scheduled consultations; however, clients will be charged a consultation fee for excessive, unplanned time spent communicating about a child's progress or advising the parent/guardian about the child's education. The tutoring prices are normal, reasonable communication with the parent/guardian after each session.

****Cancellation Policy****

Twenty---four (24) hours advance notice of cancellation is required. If less than 24 hour notice or no notice is given for cancellation, you will be charged for the session. At the time you cancel a tutoring session, you will be required to reschedule the appointment with the tutor. This is done in order to keep the student on track for meeting their educational goal.
