DAYLIGHT SAVING TIME

With the days getting longer and springtime just around the corner we jump into March with a renewed sense of excitement! We are making leaps and bounds in learning and we're so proud of our students for their hard work. Keep up the good work and you'll make it to the finish line!

****Psst - Spring Break isn't that far away!****

Mark Your Calendar...

- March 2 - AOI's 10 Year Anniversary Celebration
- March 11 - Daylight Savings Time Starts (Spring Ahead!)
- March 13 - Middle & High Schoolers to TomeCon

- March 23 - Report Cards Go Home
- March 29 & 30 - Middle School Field Trip (The William Bremen Jewish Heritage Museum, Calloway Gardens & FDR's Little White House)
- March 30 - Early Release @ 12 pm

CELEBRATING

10 YEARS

Our 10 Year Anniversary Celebration was a huge success. Thank you to all our students that helped with taking guests on tours of our school, to our wonderful board members for supporting us along the way, our marketing team that jump started the process and led the way, and last but not least, all our AOI family and friends that attended. We couldn't have been here for 10 years without you, so...**THANK YOU!!**

YOU'RE AMAZING!

William, Olivia, Meredith and Alex H. all passed Step 3 in Wilson!
Congratulations!!

We also had **MULTIPLE** students read their 10 books for the month of February. They're going to have fun at Main Event. Way to go!

March Birthdays

- March 3 - Ms. Ava
- March 4 - Connor D.
- March 9 - Sean
- March 31 - Court

Celebrating Success...

We want to congratulate Ms. Maura on being named a Master Teacher by Brenau University! We always knew you were a super special teacher. You deserve this honor plus more and we couldn't be more proud!

Tomecon 2018
Make Your Mark

Our High School and Middle School students will be attending Tomecon 2018 on March 13th at UNG in Oakwood. Session topics include reading, writing, technology, engineering, art, music, and more. Several authors from across the country will be visiting with and teaching students at the conference.

Middle School Tour of History

Our Middle School class is going to have the opportunity on March 29th and 30th to travel to Atlanta to visit the William Breman Jewish Heritage museum, spend the night down at Calloway Gardens and then finish out their trip at FDR's Little White House in Warm Springs, GA. Please email Ms. Maura if you have any questions or would like more info.

DISNEY TRIP RECAP

In February the High School spent a week at Disney World in Orlando, Florida. They were able to research different countries at Epcot and experience art and culture from around the world. At Animal Kingdom they found out all about Disney's conservation efforts to help save animals around the world. While in Magic Kingdom the students had to do a scavenger hunt for famous Disney sights and foods and had to take selfies with them. Finally in Hollywood Studios the students learned more about Walt Disney and his journey to helping the world be a happier place! Even though they had work to do, the students were able to find time to have some fun meeting some of their favorite characters and enjoy going on some thrilling adventures. Make sure to check Facebook for our Throw Back to Disney Thursday to see the favorite memories and pictures from each of the students!
